

SUGGESTED CUP COLOR COMBOS

CUP COLOR	WHAT REALLY WORKS	STAY AWAY FROM
Translucent White	Any color really as long as it's not too light. Black looks great!	Super light colors
Opaque Black	Any light/vibrant color. Light blue, pink and white look great!	Super dark colors
Translucent Blue	Light colors such as pink or very light blue, white	Darker colors such as black, red, blue, or dark purple
Translucent Red	Dark and light colors can work here - light blues, white, black	Both dark and light colors work, but light works better
Translucent Green	Dark and light colors can work here - light blues, white, black	Dark blue
Translucent Purple	Lighter colors such as white, light pink, lighter blues	Dark colors
Neon Orange	Dark and light colors can work here - light blues, black	Red
Neon Pink	Dark and light colors can work here - lighter blues, black, white	Purple, Red
Neon Yellow	Darker colors work better here - red, black, purple	Super light colors

Please note: Color variations/shades do matter. Some color can work that may not typically work if it is lightened or darkened depending on the design/cup.
